**The New Fall Styles**

WHEN you choose your fall suit or coat, you want to select it from garments that bear the stamp of style correctness. You want to choose from assortments that afford a wide range of models, materials and colors—garments among which you are sure to find one that is most becoming to you.

We Invite You This Week to Our

## Advance Autumn Display of Wooltex and Printzess Coats, Suits and Skirts

AMERICA'S greatest organization of fashion designers assures the style correctness of these garments. The Wooltex Bureau of Fashions in Paris, with Madame Savarie as its director, has been maintained despite the great war.

### Here Are the Style Features to Look for in Your New Fall Suit or Coat

Natural figure lines are most stylish. Not tightly fitted, but with the graceful curves of the natural figure.

Jackets are made semi-fitting or loosely belted to give modish lines. Many have the smart flare below waist. Jackets are hip length or long.

Skirts have rolling pleats or flat pleats on the sides to give fullness.

Coats never were prettier. Two distinct modes are correct—semi-fitting and loose.

The semi-fitted models are most prominent. They are not tight, but have graceful curves that make good figures better looking and improve poor figures.

The loose-fitted models are often belted to give modish lines, while some very stylish models in fine coats hang loose from the shoulders.

Come in this week. See the new style features, how becoming they are. Try on a few. Get acquainted with the new styles, even if you are not yet ready to buy.

The 'Swimmin' hole has lost its best customer and the cause of fond mama's greatest worry has been removed. Strange as it may seem there was the 'ear-to-ear' grin on the beaming face of every youngster whom we met on his way to school Tuesday morning. Like the poor dog the ol' swimmin' hole has its day. It's the school teacher's inning now.

**WERE MARRIED AT LAKE CITY**

Parker-Smith Wedding Followed

By Honeymoon Trip Down

The Lake

A short notice of the wedding of Earl Parker and Miss Hazel Evelyn Smith of Lake City appeared in last week's paper but owing to the fact that the ceremony was held Thursday noon we were unable to give a full story of it.

At high noon in the presence of the immediate members of both families the principals took their places. The simple ring service was used. Rev. Hoyt, pastor of the Methodist church officiating. Immediately following, a three course dinner was served. The house was beautifully decorated with roses and lilies of the valley.

Mr. and Mrs. Parker took a honeymoon trip from Mackinaw to Detroit by the Lake returning Monday evening of this week to Alma. They will live in the new home which the groom has built at 815 Woodworth avenue.

Mrs. Parker was for ten years reporter for the Missaukee Republican at Lake City, where she was very popular with the younger set. The groom worked in the hardware store formerly owned by the Caples for a number of years, after which he went to Flint where he worked in the Buick Motor Company's factory for two years. For the past two years he has been book keeper for the Home Lumber and Fuel Company. He took work at Ferris Institute for some time. He is one of the most popular of the younger business men.
